Car show makes impact

Event tops \$500 for Family Impact Center in Fowlerville

Car lovers recently came together to enjoy themselves and support a service organization at **Dick Scott Motor Mall** of Fowlerville.

Dick Scott Motor Mall on May 21 hosted a car show with proceeds going to benefit the nonprofit **Family Impact Center** in

Fowlerville. Vehicle classes include hot rods, street machines, muscle cars, motorcycles, imports, trucks and special-interest vehicles. The event included live entertainment and concessions.

A total of \$557.75 was raised for the

Family Impact Center, a Christian-based organization that began serving people in need in 2002. The group provides a client-choice food pantry, educational resources, support groups, counseling services and mentoring programs.
